

SCDBA Clinician and Commission Committee 2007

Members

- 2 Middle School Directors
- 2 High School Directors
- Committee Chairman (either a HS or MS Director)
- SCDBA Treasurer
- SCDBA Chairman or SCDBA Vice Chairman
- Total of 7 voting members
- Any SCDBA Director may attend committee meeting

Selection of Committee Members

- Appointed by District Chairman and approved by the SCDBA Board
- SCDBA members must notify the District Chair they are interested in serving prior to the spring meeting.
- Committee Chair, the 2 High School Directors and 2 Middle School Directors will serve a two year term.
- Terms will be staggered so one committee member is appointed each year.

Duties of Committee

- Develop a long range plan for clinicians/commissions
resent long range plan so the membership knows what years there will be a commission. Also plan for the years when we honor one of our members with conducting the Middle School or High School (9/10) district honor band.
- Send email requests via the SCDBA Yahoo Group for suggestions for Clinicians and Composers on a regular basis.
- Present a slate of clinicians and/or composers for the membership to vote on at each Winter Meeting. When voting on commissions, the committee needs to plan far enough in advance so if the first choice is not available another composer may be contacted.
- The committee will meet at the All-District Clinic in January, but may also conduct business via email.
